WE DID IT AGAIN !

Moffly Publications, publishers of Greenwich, Westport, and New Canaan - Darien Magazines, recently polled its readers and surveyed its own editors for a list of the "The Best of the Gold Coast Connecticut 2009."

Massage Mavens is proud to announce that we've been voted "Best Massage" for the THIRD YEAR IN A ROW in all three magazines. We'd really like to thank our fantastic therapists who make this possible... they are a group of hard working professionals dedicated to their art. We'd also like to thank our loyal clients and associated who voted for us again this year.

Best Massage - Fairfield County Weekly Annual Reader's Poll 2009 - 2nd Place

Massage Mavens is a proven leader among Fairfield County massage centers and spas as evidenced by our 4 "Best Massage" awards. Our experienced team of seven therapists, all specialized in advanced techniques, provides outstanding bodywork in the comfort and privacy of your home or office. Our main differentiation from other area massage providers is our commitment to therapeutic massage for active people. We focus on Swedish, Deep Tissue, Sports, Rehabilitation, Relaxation, Reflexology, and other advanced techniques. We do also offer Chair Massage and group services for corporations, the film industry, private parties, and fundraising events.

For the 2nd year in a row the readers of Greenwich Magazine, Westport Magazine, and New Canaan/Darien Magazine awarded Massage Mavens the 2008 "Best of the Gold Coast" for Massage Therapy Services.

While we came in a close second place in this years' Fairfield County Weekly's Annual Reader Poll, we're striving to reclaim our number one spot next year.

In August 2007 the readers of Greenwich Magazine, Westport Magazine, and New Canaan/Darien Magazine awarded Massage Mavens the 2007 "Best of the Gold Coast" for Massage Therapy Services.

In 2007 Massage Mavens was chosen Best Massage in Fairfield County in the Fairfield Weekly's Annual Reader's Poll.
