

Message Room Policy

State draping regulations will be followed at all times by all therapists.

One parent will accompany clients under the age of 14 during the massage session. No visitors or children will be allowed at any other session.

Clients who are between the age of 15 and 17 shall have a signed service consent present or on file prior to receiving services.

All clients will turn off pagers, PDAs, and cell phones during each session unless otherwise agreed to by client and therapist.
